

## Praised by All

### Psalm 145

#### Sensory Limitations

When we can't see some \_\_\_\_\_, we miss out on the full richness of what is there

When we can't see hear some \_\_\_\_\_, we miss out on the full richness of what we hear

#### Psalm 145:10-13a

The all-\_\_\_\_\_ of God's glory and praise

#### The Big Idea:

**It takes all \_\_\_\_\_  
in all of life's \_\_\_\_\_  
with the full range  
of human \_\_\_\_\_ and personalities and cultures  
to proclaim the greatness and \_\_\_\_\_ of God**

**We can't see all of God's \_\_\_\_\_ without all \_\_\_\_\_  
giving Him praise**

#### Application

Praise God in your \_\_\_\_\_ and in your \_\_\_\_\_, with your \_\_\_\_\_,  
for how you see (by faith and by sight) the \_\_\_\_\_ of God

Is God praiseworthy in the \_\_\_\_\_ and in the \_\_\_\_\_?

Is God praiseworthy when we \_\_\_\_\_ and when we \_\_\_\_\_?

Is God praiseworthy for the \_\_\_\_\_ and the \_\_\_\_\_?

Is God praiseworthy by all \_\_\_\_\_ types?

Humanity needs \_\_\_\_\_ to proclaim His glory where you are!

\_\_\_\_\_ need \_\_\_\_\_ to proclaim His glory where you are!

I used to think...

The best praise to God is when the most \_\_\_\_\_ people  
praised God for His " \_\_\_\_\_ " gifts

Now I realize...

Higher ability often brings \_\_\_\_\_ praise of God

The best praise comes from the \_\_\_\_\_ heart

Sometimes the best praise comes

in the times of \_\_\_\_\_ trouble

Crying out to God in trouble

is an important expression of \_\_\_\_\_ and of \_\_\_\_\_

Hear the voices of \_\_\_\_\_ who are praising God

You & I need people with different \_\_\_\_\_ and different  
\_\_\_\_\_, who are praising God, to fill out our praise

Live our \_\_\_\_\_

"Welcoming and transforming

the peoples of many nations

to be united in the praise of God in Christ"

all ...

**To give God the praise He deserves, and to see  
the fullness of His glory, it takes every \_\_\_\_\_!**

#### Reflection

- How would you describe your life as you are experiencing it now? Perhaps you can identify it in the range of experiences seen in this drawing of the spinning globe.
- What is the mix of abilities and passions that makes you be who you are?
- Given these experiences, and given who you are, how can you give praise to God in a way that fills out your part of the spectrum of God's glory?
- How have you experienced the richness of seeing and hearing how others give praise to God in a way that enriched your own praise?
- What voices of praise are harder for you to welcome and to join? What steps can you take to welcome and to join those voices?
